Commercial Savings Account (Instant Access) Summary Box

Account Name	Commercial Savings Account (Instant Access)		
What is the interest rate? Effective date: 24 February 2025	Balance	£1,000+	
	Gross annual interest rate	1.75% AER* 1.76%	
	We calculate interest daily, which will accrue from the day your savings account is open and funded. We will credit any interest monthly to your savings account.		
Can Arbuthnot Latham change the interest rate?	<p>Yes, the interest rate applicable to your account is variable.</p> <p>If we make any change to your interest rate, we will do so in line with our Terms & Conditions. We will give you 14 days' advance notice if the interest rate change is not in your favour. If we increase the interest rate on your savings account, we may make this change sooner. We reserve the right to add interest rate bands to the account by giving you at least two months' advance notice.</p>		
What would the estimated balance be after 12 months based on a £1,000 deposit and a £1,500,000 deposit?	Deposit Amount	£1,000	£1,500,000
	Balance after 12 months	£1,018	£1,526,462
	These are illustrative examples only. They assume the full deposit was made when the account was opened with no withdrawals and no changes to the interest rate. Interest is rounded to the nearest pound.		
How do I open and manage my account?	<p>Savings accounts are available to existing Arbuthnot Latham clients.</p> <p>The minimum account balance is £1,000.</p> <p>You can open a savings account and give instructions by contacting your banker by phone or email. You can also manage your savings account through our online banking service. Our Commercial Savings Accounts (Instant Access) are applicable for Non-Personal, Micro Enterprises, Small Charities, Corporate and Non-Corporate clients.</p>		
Can I withdraw money?	Yes, you can withdraw money in line with our Terms & Conditions providing you maintain the minimum balance.		

Additional information	<p>Please note, we reserve the right to change or withdraw this product at any time.</p> <p>Interest will be paid gross without the deduction of income tax.</p> <p>It is your responsibility to declare your income and pay any tax due. Current tax regulations may change in the future and any tax due depends on your individual financial circumstances.</p> <p>*AER is the annual equivalent rate. This illustrates what the annualised interest rate would be if it was paid and compounded during the term.</p>
