

ARBUTHNOT LATHAM

Bankers since 1833

Product Summary:

Global Model Portfolio Service

(For Professional Advisers Only)

Product Purpose

The purpose of the Global Model Portfolio Service is to provide an investment portfolio for FCA authorised financial advisers to select for their retail clients. The model portfolio service is managed on a discretionary basis, in line with the Arbuthnot Latham Investment Committee's portfolio construction. The Arbuthnot Latham Model Portfolio Service is available via several platforms; full platform availability can be found on our website here: <https://www.arbuthnotlatham.co.uk/financial-advisers>.

Key Risks

Capital at risk.

Target Market Assessment

Positive Target Market

- ✓ Individuals over 18 years old.
- ✓ Individuals who are advised by a UK financial advisers.
- ✓ Individuals with a medium to long term time horizon (3+ years).
- ✓ Individuals with varying levels of investment knowledge and experience from novice to experienced.
- ✓ Individuals who value capital growth but have an ability to bear capital losses and an attitude to risk that acknowledges that their investments may lose value over a given time period.
- ✓ Individuals who prefer their investments to be managed on a discretionary basis by a professional service.
- ✓ Individuals who would benefit from an actively managed multi-asset investment solution.

Negative Target Market

- × Individuals who are under 18.
- × Individuals who are not advised by a UK IFA.
- × Individuals with no capacity to bear loss.
- × Individuals who do not wish to risk any capital.
- × Individuals looking for a speculative risk investment solution, for example 100% equity exposure.

Vulnerable Client Considerations

We take a proactive approach to understand the nature and extent of vulnerability in our target market and customer base. Our Product Management Team manage all aspects of the product lifecycle and have procedures in place to ensure vulnerable clients are considered as part of product and service design. Individuals looking for a speculative risk investment solution for example 100% equity exposure.

Our understanding of vulnerability within our target market and customer base will be reviewed annually, or sooner where a significant event occurs which is likely to have an impact on our understanding of vulnerability within our customer base.

Distribution Strategy

The product is suitable for distribution to individuals who meet the above-mentioned target market. Distribution of the product may only be via an FCA authorised financial adviser who can provide advice on the product characteristics, including risks, and who can assess the suitability of the product for the client's personal circumstances. The portfolio service is available across 6 risk levels ranging from low to higher risk.

Value Assessment

The Arbuthnot Latham Fee Schedule is available upon request and provides information on the management fee of the portfolio. Underlying fund charges can be found on each Platform. An assessment of the value provided to clients of Arbuthnot Latham's Global Model Portfolio Service has been completed and concludes that the product provides fair value to individuals. No material issues have been identified and Arbuthnot Latham expects the product to continue providing value for the foreseeable future.

Information Suitable for Provision to Retail Customers

The Global Model Portfolio Service factsheet may be provided to retail customers. Factsheets can be found on the Arbuthnot Latham website here: <https://www.arbuthnotlatham.co.uk/financial-advisers>.

Outcome of Product Review

The product review conducted by Arbuthnot Latham on the Global Model Portfolio Service identified no material issues requiring remedial action.
